WHAT WE DO

POLICY ANALYSIS

The Arise policy team studies state policies and proposals and analyzes their impact by race, gender, age, place and income.

STATEWIDE ORGANIZING

Arise organizes people across the state to speak out on the development of public policies that affect their lives.

CITIZEN ADVOCACY

Arise works to equip our members for active participation in the democratic process, including legislative advocacy.

ALABAMA ARISE ENVISIONS A WORLD WHERE...

All people have resources and opportunities to reach their potential to live happy, productive lives, and each successive generation is ensured a secure and healthy future.

All government leaders are responsive, inclusive and justice-serving, and the people are engaged in the policymaking process.

All people live with concern for the common good and respect for the humanity of every person.

Building a better Alabama for all.
